## **Simple Truths expands offices in Naperville**

Simple Truths has expanded its offices in DynaCom Center 1, at 1952 McDowell St. in Naperville. The new building is owned and operated by DynaCom Management.

Simple Truths is a leading provider of motivational and inspirational gift books designed to reinforce core values.

Simple Truths is the brain-child of Mac Anderson, the founder of Successories. Its selling approach is unique in that they sell direct via the Internet and not through traditional retail channels, according to a press release.
