Company expands in Naperville

NAPERVILLE — International Fidelity Insurance Co. has expanded its Naperville office space at 1560 Wall Street. The Wall Street offices in Naperville are owned and operated by DynaCom Management, Inc. International Fidelity Insurance expanded office space from a 2,800 square feet to 5,200 square feet space. International Fidelity Insurance s

one of the most diversified surety operations in the market, operating in more than 30 profit centers and 24 locations throughout the U.S., with more than half of its employees working in regional offices like the Wall Street location. “Our regional offices are key to the company being able to make quick, well-informed

decision, our Naperville office is no exception. Our operation there has been growing, and we needed the office space to match,” said Joe Shackman of IFIC. “We’ve really enjoyed being in our space with DynaCom, and that they’ve made expanding our space such a seamless process.”
