The Master Design contest is unique in its peer-to-peer nature. All the judges are from the design industry and represent all the regions of the country. They have been giving out the awards for 30 years.

"To be recognized by a national awards ceremony, especially one with as tough of competition as the Qualified Remodeler awards, is an absolute honor," said Doug Lellbach, owner of Lellbach Builders.

The awards ceremony will be held Oct. 27 at the Crowne Plaza -- Union Station in Indianapolis. Lellbach and the other category winners will be featured in the October issue of Qualified Remodeler and at [www.qualifiedremodeler.com](http://www.qualifiedremodeler.com).

Qualified Remodeler recognized only 23 companies in the Master Design categories from entrants nationwide. Besides the individual awards, the magazine designates 500 Top Design Firms.

Founded in 1975, Qualified Remodeler magazine was the first magazine dedicated to serving the residential remodeling market. The magazine is published by Cygnus Publishing, a division of Cygnus Business Media, and serves an audience of more than 83,000 residential remodeling firms.

Lellbach Builders, owned by Doug and Debra Lellbach, offers services that range from whole house renovations to room additions to kitchen and bath renovations.
